# EVERY DOLLAR MAKES A DIFFERENCE

## What is the Laker Club?

The Laker Club is the main fundraising body for athletics at Lake Superior State University. Our aim is to ensure a highly-competitive program for all of our men's and women's teams. Your membership will help us attain this goal.

## Special Recognition

We would like to thank LSSU's Student Life and Chemistry Departments for their coordinated COVID-19 testing efforts, which allowed all student-athletes the opportunity to compete during the 2020-21 season.
